Temat: Programowanie w życiu codziennym - ćwiczenia z klockami korbo.

Mistrzowie Robotyki – Klocki Korbo

Pod kolorowymi klockami ukryte zostały literki. Każdy kolor ma przyporządkowaną literkę. Twoje zadanie to rozszyfrować ukryte pod kolorowymi klockami wyrazy.

					
M	A	L	K	E	O

Zaszyfrowane wyrazy to:

1.
2.
3.
4.

Odczytaj wartość liczbową danego koloru klocka. Oblicz sumę w każdym rzędzie i kolumnie. Który rząd i kolumna mają największą sumę, a który/która najmniejszą. Wyniki zapisz w pustym polu.
